Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. CenTrak Inc. requests that the following documents regarding this submission for FCC ID: ST2-CTHSB760 be kept confidential:

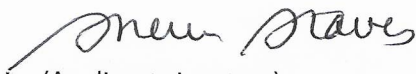

<b>Exhibit Type</b>	<b>File Name</b>

Schematics	Schematics.pdf
Operational Description	Operational Description.pdf

And below exhibit kept short-term confidential (180 days):

Those documents contain detailed system and equipment description and related information about the product which CenTrak Inc. considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, CenTrak Inc. considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely,
