The Basic Operation of The Products

The statements should be displayed in the way manual:

Warnings or instructions are especially required for the parts responsible for the operation could hold the user's attention to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference to a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This equipment complies with FCC radiation emission limits for an unlicensed transmitter. This device may not be used in operation in connection with any other device at the same time.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Warnings or instructions are especially required for the parts responsible for the operation could hold the user's attention to operate the equipment.

Class B2: 1000-10000

Product Name: Remote control car device

WARNING:

CHOKING HAZARD - small parts,
Not for children under 3 years.
