

Shenzhen Hollyland Technology Co.,Ltd

RF exposure statement

We, (Shenzhen Hollyland Technology Co.,Ltd) certify the product:

Model No.: 8F,Building 5D,Skyworth Innovation Valley, Tangtou Road. Shiyao Street,
Baoan District Shenzhen, China.

Model No.: Mars M1, Mars M1 Pro, Mars M1 Plus, Mars M1 Lite, Mars M1 Enhanced

The difference between the new EUT and the original EUT is that the FPGA package has
been changed, the mipi screen driver SSD2828 chip has been added, and the two DC
socket ports have been changed from the original straight port to the threaded port.

These changes do not affect the RF performance.

After evaluation, this change does not involve RF part and does not require SAR test
