Battery Capacity: 600mAh

EUT View 1	 A photograph showing a yellow, rounded rectangular electronic device (EUT) with a small slot on its top surface. A white USB cable is coiled next to it. A black ruler with white markings is placed horizontally and vertically to provide scale. The device is approximately 100mm wide and 60mm high. The background is a blue textured surface.
EUT View 2	 A photograph showing the same yellow, rounded rectangular electronic device (EUT) from a different angle, highlighting its rounded edges and the slot on top. A black ruler with white markings is placed horizontally and vertically for scale. The device is approximately 100mm wide and 60mm high. The background is a blue textured surface.

EUT View 5**EUT View 6**

EUT View 7	 A photograph showing the top view of a small, light green, rectangular electronic device. The device has a small, dark, horizontal slot on its top surface. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in centimeters and millimeters, with the device's length being approximately 40 mm.
	 A photograph showing the side view of the same light green electronic device. It is a rectangular shape with rounded edges. On the side, there is a small, dark, rectangular USB port and a small, oval-shaped button or indicator light.
