

Griffin® 1000MV Injector

Part No: 108-1710-030-12

Serial No:

Rating: 120V~, 50-60Hz, 1.0A

Fuse: 3A, 250V, Slo-Blo

FCCID: SKIWAG311

IC:5438A-WAG311

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Amperion Inc., Two Tech Drive, Andover, MA 01810

Assembled in USA from Foreign and Domestic Parts. Patent Pending
