| <p>Solder<br/>Board-Component View<br/>2</p> |  <p>A photograph of a blue printed circuit board (PCB) with various electronic components, including a green antenna module, capacitors, and integrated circuits. The board is placed on a blue background next to a black ruler with white markings in millimeters. The ruler shows measurements from 0 to 100 mm on the top edge and 0 to 200 mm on the bottom edge.</p> |
| <p>Antenna View</p>                          | <p>2.4G Antenna</p>  <p>A photograph of the same blue PCB from a different angle, focusing on the antenna components. A red box highlights a specific component, and a red line points from the label '2.4G Antenna' to it. The board is placed on a blue background.</p>                                                                                                 |
