BT Antenna

A photograph of a custom green printed circuit board (PCB) with various electronic components. The board is irregularly shaped and features a central circular cutout. It is populated with numerous surface-mount components, including resistors, capacitors, and integrated circuits. A yellow SMA connector is attached to the right side of the board. The PCB is placed on a blue surface next to a black ruler with white markings for scale. The ruler shows measurements in both centimeters (0 to 100) and millimeters (0 to 100).
