Subject: Agent Authorization

To whom it may concern:

We, Whirlpool Microwave Products Development Limited., the undersigned, hereby declared that the FCC ID PR4FLUSHP2X was registered in the FCC website in early June, however, we figured out that output power in the our rating label is a bit lower compare to our design specification; Therefore, we hope we could temporarily withdraw this ID registration from FCC website; Thereafter, we will re-submit them again after the product was improved a bit for its output power.

To be clear, all the Microwave Oven units bearing this FCC ID of PR4FLUSHP2X had not yet been mass produced or placed into the market either.

Sincerely Yours,
