RE: Certification Application  
FCC ID: 2ACGBMCM3915

To Whom It May Concern:

Please be advised that G4S monitoring Technologies Ltd request that the following information is to be held permanently confidential on behalf of G4S Monitoring technologies Ltd.

- Track and Component Layout drawings
- Technical documents: OM247 MU3 - System Overview
- Block diagrams
- Schematics
- BOMs
- Internal Photographs

G4S monitoring Ltd have spent substantial effort in developing this product, in particular some of the tamper features are not available in competitor products. Having the information easily available to competitors would negate any advantage they have achieved by developing these features.

The application contains technical information which *G4S Monitoring Technologies* deems to be trade secrets and propriety. If made public, the information might be used to the disadvantage of the applicant in the market place.

The product is a sealed device (tamper-evident rivetted in production) and a non-consumer device serviceable only by the grantee.

Thank you for your attention to this matter.

Yours faithfully  
G4S Monitoring Technologies Ltd
