

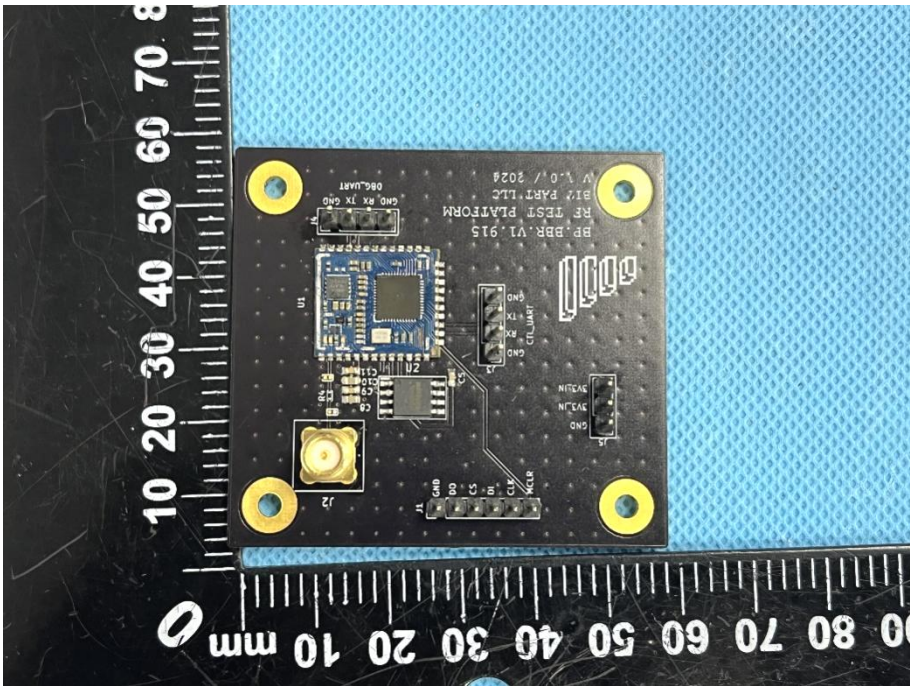

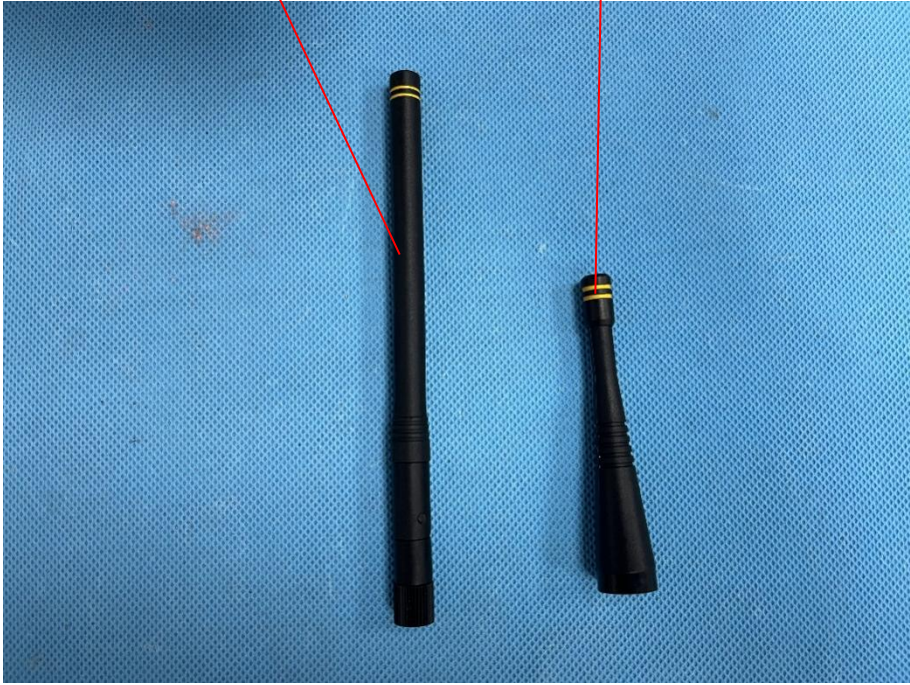

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

Solder Board-Component View 1	 A photograph of a small, square circuit board component. The board is black with various electronic components, including a central chip, capacitors, and connectors. It is placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the board, showing measurements in millimeters. The board has four yellow circular mounting holes at the corners. Text on the board includes "BP, BBR, V1, 915", "RF TEST PLATFORM", "BIT PART, LLC", and "V1.0 / 2024".
Antenna View	Antenna type 1 Antenna type 2  A photograph showing two different types of antennas against a blue textured background. Antenna type 1 is a long, thin, black rod-like antenna. Antenna type 2 is a shorter, thicker, black antenna with a flared base. Red lines connect the labels "Antenna type 1" and "Antenna type 2" to their respective antennas.
