30th of August 2021

Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD 21046

Ref: FCC Class II permissive change for FCC ID: PD99260NG

To whom it may concern:

Nextfour Solutions Oy hereby requests a Permissive Change Class II for module approval FCC ID: PD99260NG, new FCC ID: 2AYT7-9260.

Changes filed under this application:

- Addition of equivalent antenna: same type, less gain and similar in- and out-of-band characteristics
- Module is being used in different host
- Colocation with cellular transmitter

The module itself including all RF portions remains unchanged. Field strength and/or RF Output readings remained the same or are lower than the originally approved product.

Sincerely,

Ville Keskilohko
R&D Manager
