ZyXEL Communications Corporation Made in China
Model Number: 80G1312-1100 No. 287433
Power Rating: 1.2V ~ 1.6A
Power Consumption: 1.2 Watt max.
FCC ID: HBAAM13121100

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) This device must accept any interference received,
including interference that may cause undesired operation.
