System Voltage: 12V | 24V | 36V | 48V

FCC ID : 2BDSV-M4860N

Max. Current: 60A

Max. Input Voltage: 150V

Max. Input Power: 900W/12V, 1800W/24V,
2600W/36V, 3200W/48V

Made in China

2434361313

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.
