Subject: 03/21/2005 TCB statement to replace the uploaded files

On March 21, 2005, TCB replaced the following files uploaded on 03/01/2005

- 1) Test Report
- 2) Test Setup Photo

The reason to replace these two files is to update the product description from Bluetooth V 1.2 Module to Bluetooth V 2.0 Module. There is no hardware or software change. This is administrative correction based upon information provided by the agent.

Best Regards
