ATTN.: Reviewing Engineer

FCC ID: 2A6X2-875A, IC: 28565-875A

HVINs/Models: ASY0750439 (TW-875), ASY0750389 (TW-870)

We hereby request Family Certification for the above mentioned HVINs/Models based on them being electrically, and physically identical apart from model name/number.

The following table describes the differences between the models. All radio models use the same operating software and core radio module which includes all PHY/MAC/RF Interface circuitry and were tested with the same antenna.

| <b>Model Number</b>    | <b>Data Interface</b> | <b>Audio Interface</b> | <b>Power Interface</b> | <b>Accessories</b> | <b>Notes</b>      |
|------------------------|-----------------------|------------------------|------------------------|--------------------|-------------------|
| ASY0750439<br>(TW-875) | USB                   | Analog PTT             | Built-in battery       | NA                 | Small form factor |
| ASY0750389<br>(TW-870) | USB                   | Analog PTT             | External battery       | NA                 | Small form factor |
