To Whom It May Concern:

The form 731 and request for Class 2 Permissible Change (C2PC) has been electronically submitted and attachments uploaded to your web site for use in processing. This request addresses updating the Grant Note to current convention. The original Grant note contained language restricting co-location with another transmitter.

Specifically, the original Grant contains the following Note

“Single Modular Approval. Power listed is conducted. Compliance of this device in all final host configurations is the responsibility of the Grantee. OEM integrators must be provided with antenna installation instructions and labeling requirements for finished products. OEM integrators and end-Users must be provided with transmitter operation conditions for satisfying RF exposure compliance. This grant is valid only when the device is sold to OEM integrators and the OEM integrators are instructed to ensure that the end user has no manual instructions to remove or install the device. Separate approval is required for all other operating configurations, including portable configurations with respect to 2.1093 and different antenna configurations. **The antenna(s) used for this transmitter must be installed to provide a separation distance of at least 20 cm from all persons and must not transmit simultaneously with any other antenna or transmitter.** Users and installers must be provided with antenna installation instructions and transmitter operating conditions for satisfying RF exposure compliance. This device supports LTE of 1.4,3,5,10, 15, and 20 MHz bandwidth modes for Bands 2 and 4i and LTE of 1.4,3,5, and 10 MHz bandwidth modes for Bands 5 and 12. This device contains functions that are not operational in U.S. Territories. This filing is only applicable for U.S. operations.

This application is requested the Grant note (highlighted portion) be revised. Please review the submitted information and process the requested Class 2 Permissible Change to update the Grant note.

Should you require any further information, please contact the undersigned. Thank you for your consideration in this matter.

Sincerely,

Scot Rogers
