

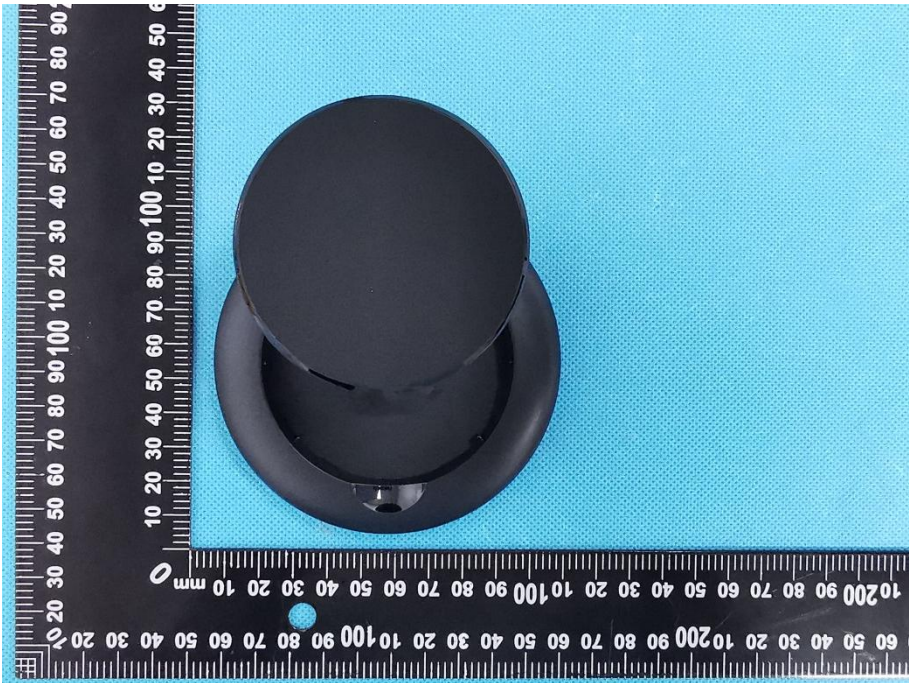

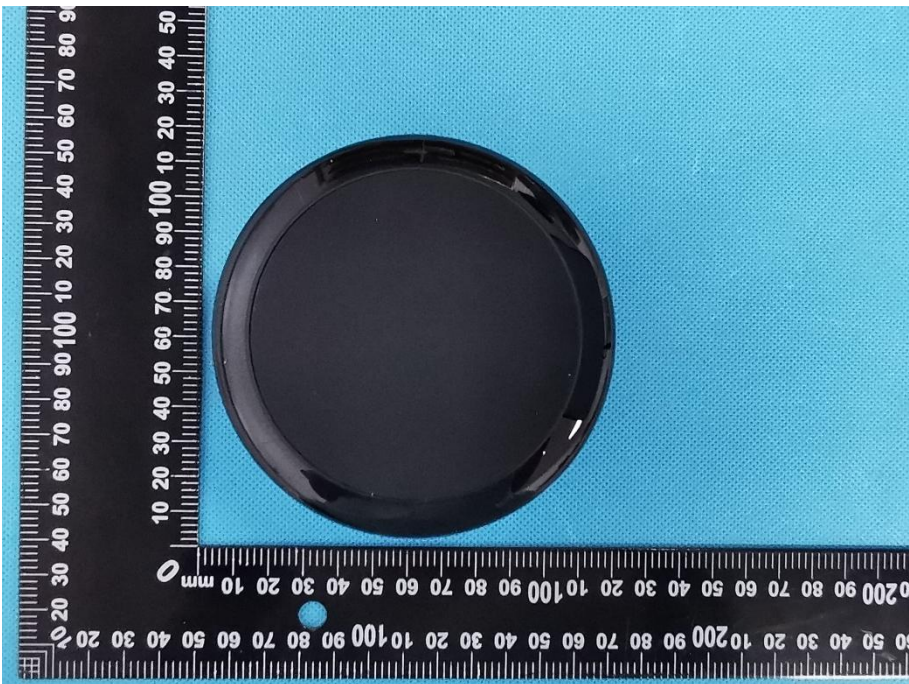

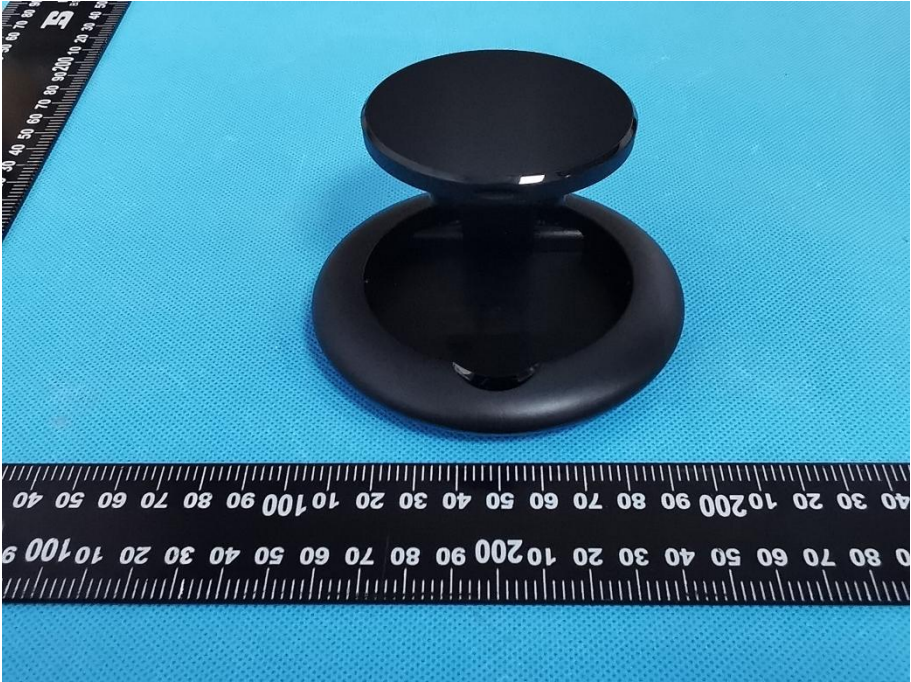

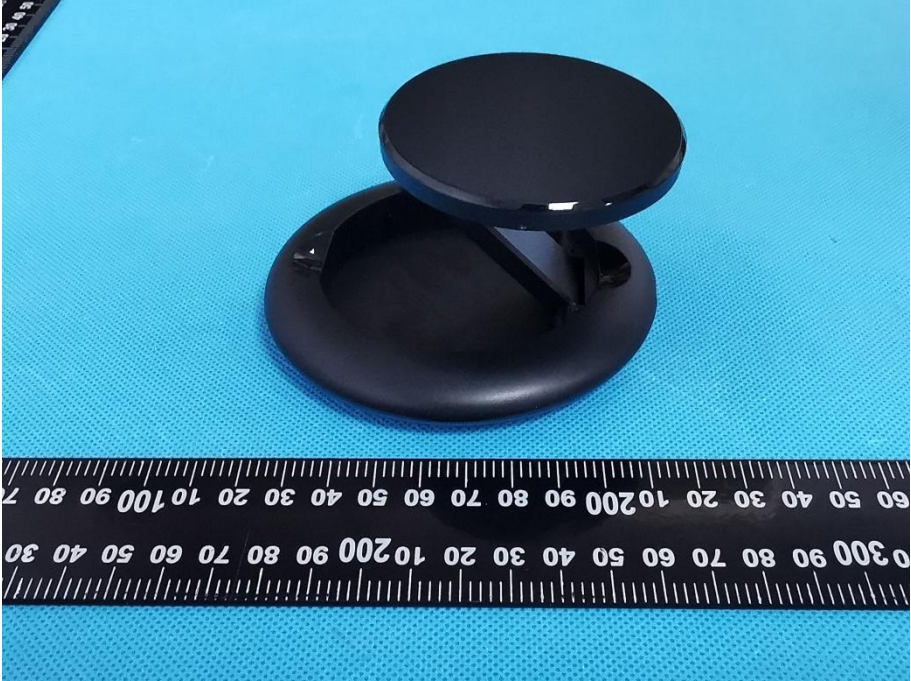

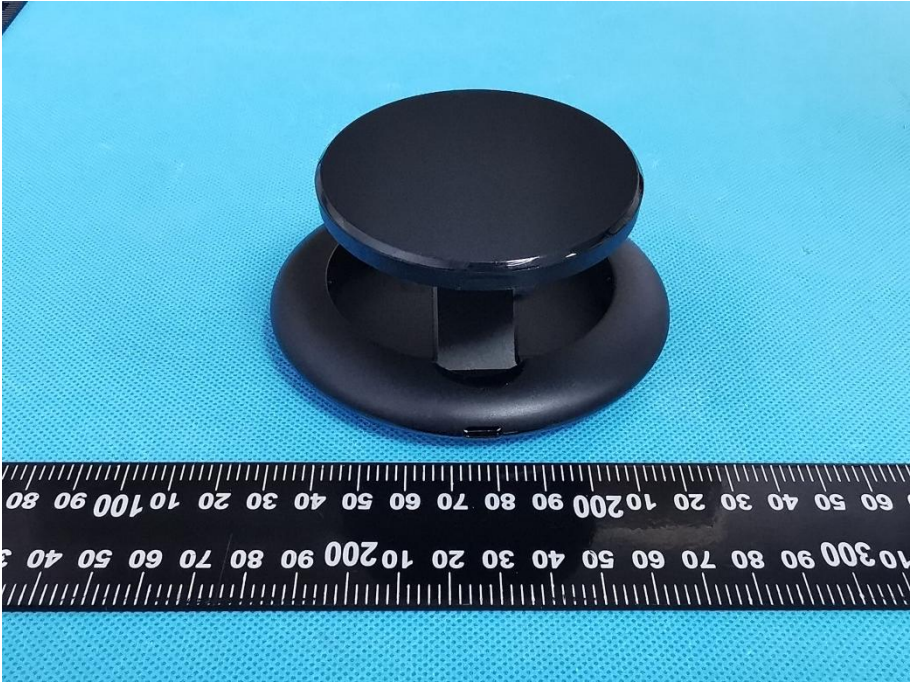

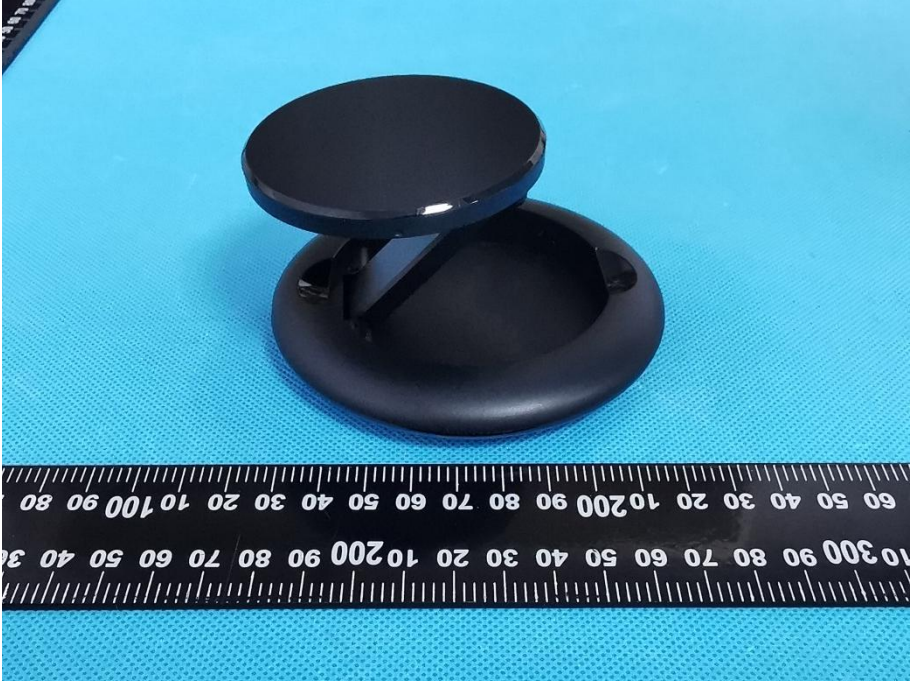

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A top-down photograph of a black, circular electronic component. The component has a flat top surface and a slightly recessed center. It is placed on a light blue textured background. A black L-shaped ruler is positioned to the left and bottom of the component. The ruler has white markings in millimeters and centimeters. The component's diameter is approximately 40 mm.
EUT View 2	 A bottom-up photograph of the same black, circular electronic component. The component is shown from the underside, revealing a circular base with a slightly raised rim. It is placed on the same light blue textured background. A black L-shaped ruler is positioned to the left and bottom of the component, similar to the first view. The component's diameter is approximately 40 mm.
