Revision History

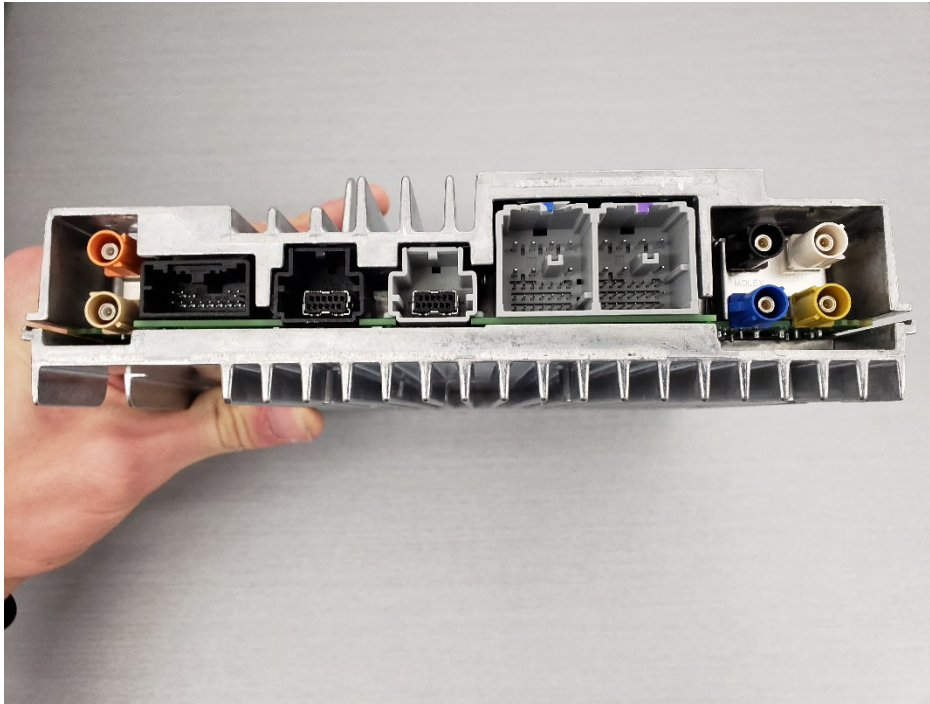

Revision	Date	Description
0	3 DEC 2018	Initial release.

A photograph of a silver, finned automotive component, likely a power transistor or diode, mounted on a grey surface. The component has a series of vertical fins and several mounting tabs. A white label is attached to the bottom right, featuring the Harman and GM logos, the part number 3276988, and a barcode with the number 84574087. A green circular marker is placed on the left side of the component. A small QR code is also visible on the bottom right of the component.
