

Assetflo Inc.

Date: 2025-03-13

Attention: Application Examiner/Review Engineer

To whom it may concern:

Hereby, we (Assetflo Inc.) declare that our product (Assetflo 5G Tracker) used nRF9160 IOT Module (model No.: nRF9160, FCC ID: 2ANPO00NRF9160), which produced by NORDIC SEMICONDUCTOR ASA, the software and hardware of the all modules have not undergone any changes.

Only B2/4/12/66 bands are used for this sample, and other frequency bands are disabled by software. The BLE function only supports RX on this device and does not support TX.

Sincerely,

Signed on behalf of: Assetflo Inc.
