## COVER LETTER AND GENERAL INFORMATION

November 24, 2004

To: Federal Communications Commission

Subject: Data for FCC Certification Application

Applicant: Uniden America Corporation  
181 North Country Club Road, P.O. Box 580  
Lake City, South Carolina 29560  
James R. Haynes, Vice President, Engineering and Regulatory Affairs

TYPE OF EQUIPMENT: 5.8 GHz Cordless Telephone Base Unit with 2.4 GHz Bluetooth  
FCC RULES: Part 15.247  
FCC IDENTIFIER: AMWUP744

Dear Sirs and/or Madams:

The accompanying documentation represents our application for Equipment Authorization under FCC Parts 2 and 15. Quantity production is planned.

EMC testing, which is required by the Commission, was performed at PCTEST Engineering Laboratory, Inc. of Columbia, Maryland. Their reports are included as Exhibits to this application.

The above referenced cordless telephone, identified as AMWUP744 will be manufactured and marketed under various model numbers, including ELBT595. However, all models will be representative of the test data and specifications included in this application except for cosmetic variations and features not effecting compliance. The production of the models identified as AMWUP744 will be representative of the test data and specifications within the expected tolerances in mass-production.

Please contact the undersigned if you have any questions or need any further information.

Regards,
