Request for Confidentiality

Gentlemen:

In accordance with 0.459 of CFR 47, Compal Electronics Inc. hereby requests confidentiality of Schematics, Block Diagrams, Parts List, Theory of Operation, Tune-Up Procedure, Antenna Specification, and Technical Specification for the subject application. These documents contain detailed system and equipment description and related information about the product that we consider to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, we consider that this information would be of benefit to its competitors, and that disclosure of the information in these documents would give competitors an unfair advantage in the market.
