Regarding: FCC ID: OJFDHRU-G2-19

To whom it may concern:

We, the undersigned, hereby authorize Corning Optical Communication LLC to use the DISH waiver DA 13-2409 for their equipment authorization with FCC ID: OJFDHRU-G2-19

This authorization is valid until further written notice from the applicant.

To be clear, this authorization is so the FCC can certify ID: OJFDHRU-G2-19, which, among other things is capable of transmitting spectrum licensed to DISH. This letter, however, does not authorize the device to actually transmit on spectrum licensed to DISH. That would require additional consent from DISH.
