

Attestation For
United States Agent for Service of Process
Self-Designation for US Based Manufacturers Only

Applicant / Equipment Manufacturer Information

Grantee Code:	OF7
Company Name:	The Toro Company

Applicant Attestation

The undersigned hereby consents to the self-designation for service of process and furthermore accepts responsibility and obligation to maintain self-designation for no less than one year after either all marketing and importation of the applicable equipment within the U.S has been permanently terminated, or the conclusion of any Commission-related administrative or judicial proceeding involving the equipment, whichever is later. The undersigned furthermore acknowledges and accepts responsibility to act as United States agent for service of process and consents to accept service of process in the US for matters related to the applicable equipment and at the physical address and email address identified in the applicant's grantee code registration for equipment authorization applications under certification pursuant to 47 CFR Part 2 Subpart J.
