Dear Sirs and/or Madams:

Some of the material included in this application contains information not customarily released to the public until the Commission has completed the review and a Grant of Equipment Authorization has been issued. Because public disclosure of the material might be harmful to the applicant and provide unjustified benefits to its competitors, it is requested that the following be withheld from public disclosure during the application review period:

All Internal and External photos
Draft Owners Manual
Parts List and Tune Up Information

Trade secrets and proprietary information can be held confidential. Therefore, we wish to invoke the act under the provisions of 47CFR, Sections 0.457(d) and 0.459.

Please contact the undersigned if you have any questions or need any further information.

Regards,

A handwritten signature in cursive script that reads "James R. Haynes".
