

DECLARATION OF IDENTITY

TDK Bluetooth Intelligent Serial Module

We hereby declare that the Bluetooth Intelligent Serial Module, FCC ID: PI4_TDK_BTISM, is identical to the Bluetooth USB Adaptor II, FCC-ID: PI4_USBadaptorII.

The only difference is that Bluetooth Intelligent Serial Module does not have a housing because it is designed for the use inside of electronic equipment, and will be directly mounted to the host motherboards.

It is not intended for external connection to a PC.
