Board View 2**

Solder Board-Component View 1	 A circular green printed circuit board (PCB) is shown from the top. It features various electronic components including integrated circuits, capacitors, and connectors. Two white multi-pin connectors are visible on the left side. The board is placed on a blue textured surface next to a metal ruler for scale. The ruler shows centimeters from 1 to 16.
Solder Board-Component View 2	 The same circular green PCB is shown from the bottom. It features several large silver-colored circular components, likely heat sinks or mounting points, and smaller electronic components. The board is placed on a blue textured surface next to a metal ruler for scale. The ruler shows centimeters from 1 to 15.
