Theory of Operation.

These documents contain detailed system and equipment description and related information about the product that EXI Wireless Systems Inc. considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, EXI Wireless Systems Inc. considers that this information would be of benefit to its competitors, and that disclosure of the information would be of benefit to its competitors, and that disclosure of the information in these documents would give competitors an unfair advantage in the market.

Sincerely Yours,

A handwritten signature in black ink, appearing to read 'Bruce R. Barlow', is written over a horizontal line.
