

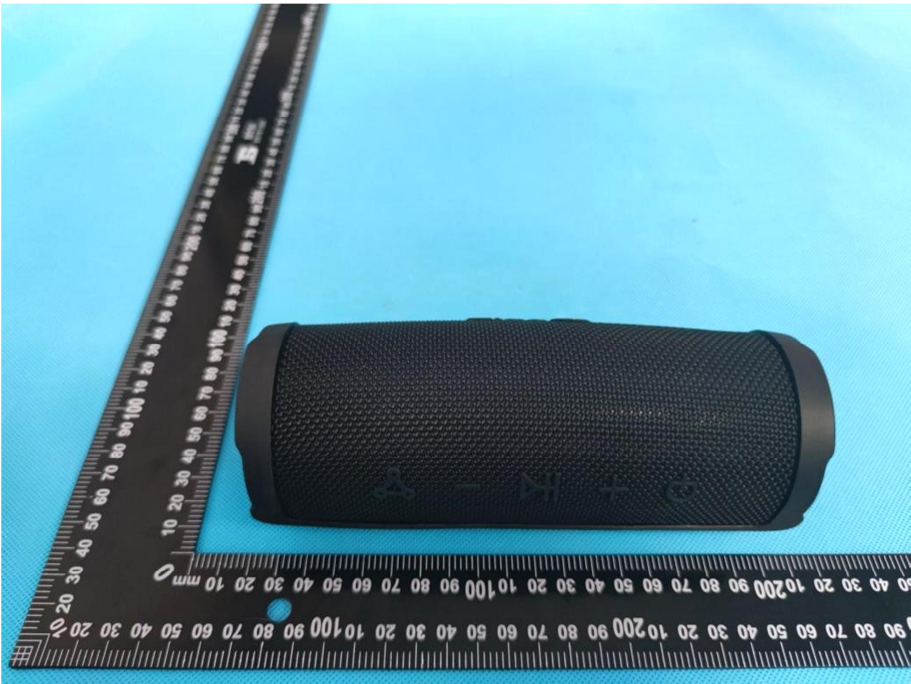

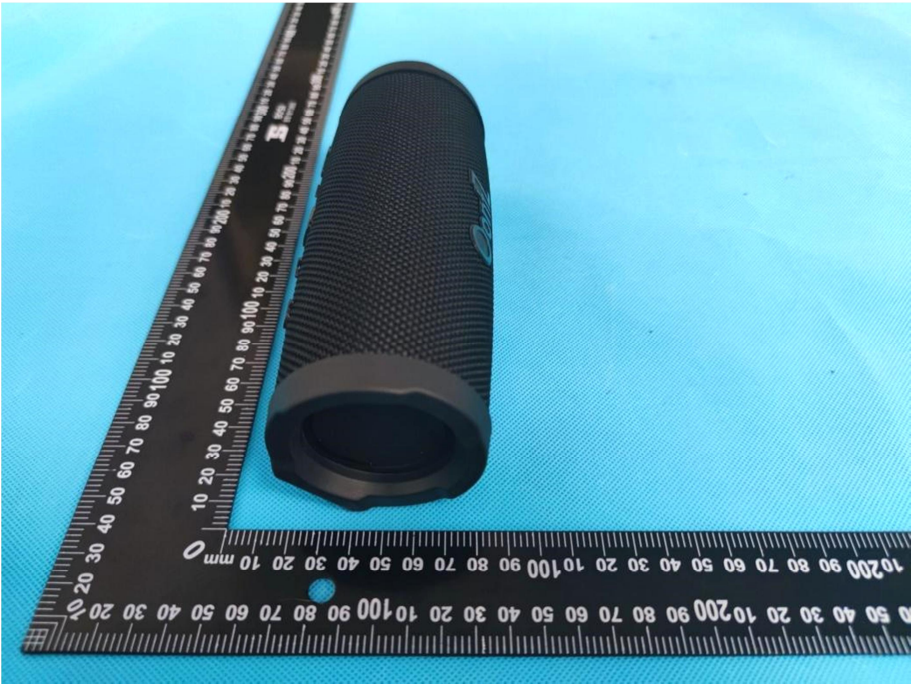

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

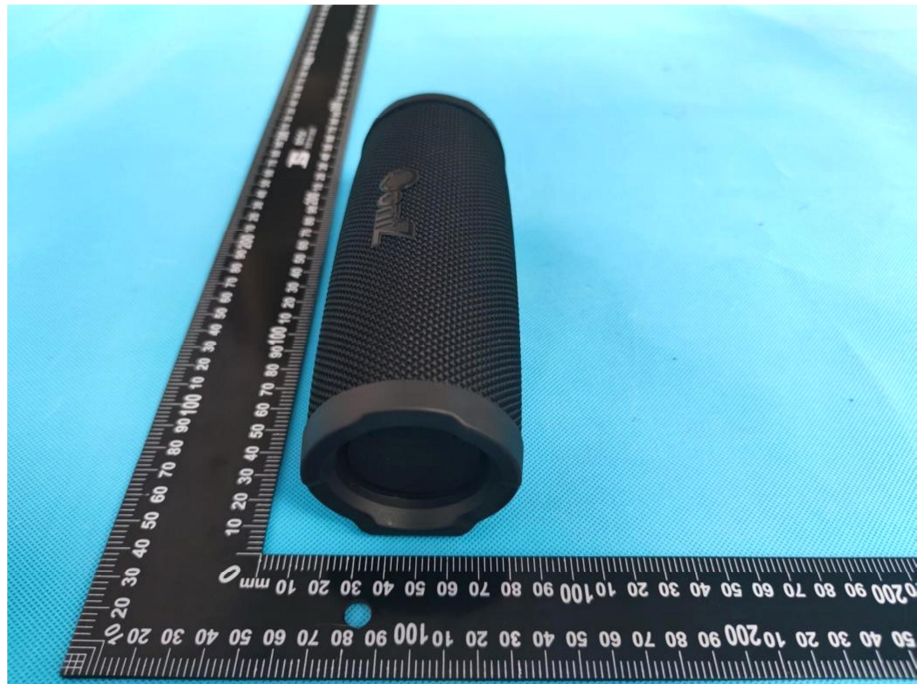

EUT View 1	
EUT View 2	

EUT View 3	 A side view of a black, textured cylindrical component, likely a handle or grip, positioned horizontally. A black ruler with white markings is placed vertically to the left of the component for scale. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10). The component has a fine, woven texture and a smooth black cap at one end. Faint markings, possibly "3 - 4 + 5", are visible on the side of the component.
EUT View 4	 A perspective view of the same black, textured cylindrical component, showing its length and the smooth black cap at one end. The black ruler with white markings is again placed vertically to the left for scale, showing measurements in millimeters and centimeters. The component's fine, woven texture is clearly visible.
