RE: Logitech Inc.

FCC ID: DZL201640

After a review of the submitted information, I have a few comments on the above referenced Application.

- 1) The labeling provided shows "FCC ID # DZL201640" which does not meet the requirements of 2.925. Please provide a modified label according to 2.925 which states "FCC ID: DZL201640".
- 2) The operational description used does not contain any technical information. Please adjust the confidentiality letter by removing this item.
- 3) Please provide a users manual for this device. Please ensure that the manual includes the proper FCC statements of 15.21 and 15.105.
- 4) FYI....For future reports that use the CISPR test distances and radiated limits instead of the FCC, to avoid any review problems please ask the lab to justify this in the report by citing the appropriate sections of 15.109.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
