EUT View 5	 A photograph showing the front view of a black handheld electronic device. The device has a rectangular screen and a small square sensor or button on the right side. It is placed on a blue textured surface next to a black ruler with white markings. The ruler is oriented vertically, showing measurements in centimeters and millimeters. A black cable with a connector is visible to the right of the device.
EUT View 6	 A photograph showing the back view of the same handheld electronic device. The back is a light gray color with a central rectangular area, possibly a battery cover or a sensor. A black cable with a connector is attached to the top. The device is placed on a blue textured surface next to a black ruler with white markings, oriented vertically. The ruler shows measurements in centimeters and millimeters.
