

Declaration Letter

We Chengdu Meross Technology Co., Ltd. declare that:

Type: Smart Wi-Fi Socket Thermostat,

Brand Name: meross , Refoss, Flysocks, BBsolar

FCC ID	2AMUU-MTS960
--------	--------------

The basic model and variants have the same PCB and component arrangements.

Please refer to details in the below table:

Model Name	Similarity & Differences
MTS960	the same PCB circuitry, RF boards and circuitry, design and materials, Only different model Name
MTS960HK	the same PCB circuitry, RF boards and circuitry, design and materials, Only different model Name
MTS910	the same PCB circuitry, RF boards and circuitry, design and materials, Only different model Name
MTS965	the same PCB circuitry, RF boards and circuitry, design and materials, Only different model Name
MTS970	the same PCB circuitry, RF boards and circuitry, design and materials, Only different model Name
MTS980	the same PCB circuitry, RF boards and circuitry, design and materials, Only different model Name
BHM110X	the same PCB circuitry, RF boards and circuitry, design and materials, Only different model Name
BHM210X	the same PCB circuitry, RF boards and circuitry, design and materials, Only different model Name
BHM310	the same PCB circuitry, RF boards and circuitry, design and materials, Only different model Name
