Attn: FCC Office of Engineering and Technology / UL Verification Services TCB

Subject: NDA Exhibit - LONG-TERM CONFIDENTIALITY
FOR INTERNAL PHOTOS AND USER'S MANUAL

FCC ID: 2AD8UASMR28FA3UA

To Whom It May Concern:

KDB 726920 D01 "Equipment Authorization Confidentiality Request Procedures" Section II
3) The internal photos and/or user's manual exhibits may be given Long-Term Confidentiality under the following special conditions:

a) Internal photos

1. May be held Confidential if the circuit board or internal components are not accessible to users. For example, it is acceptable if the circuit board is enclosed in epoxy.
2. Also, it is acceptable if the device is not accessible to the public, for example, a device mounted on the top of a large tower (or in a fenced enclosure) such that it is only serviceable by professional designated technicians under a Non-Disclosure Agreement (NDA). All sales for these devices must be under a NDA restricting the disclosure of the propriety information, including internal photos.

b) User's manual may be held Confidential only when the manual contains proprietary technical information intended for professional technicians obligated under a NDA. All sales and distribution of the user's manual must be under a NDA that restricts the disclosure of the information.

c) In the application cover letter requesting Long-Term Confidentiality the following additional description (in item 7) and the NDA exhibit is required:

1. Describe in detail how internal photos and/or user's manual information are controlled to prevent them from becoming public or disclosed to unauthorized persons.
2. Describe how public access is restricted for products serviceable by professional designated technicians.
3. A statement that all sales of the non-consumer device will be under a NDA to include third party sales and that the final user of the device is subject to the NDA.
4. Provide an example of the NDA between the grantee and a purchaser. The request for Confidentiality must include the key terms of the NDA to ensure consistency between the two.

Response

The internal photos and user's manual were requested for the long-term Confidentiality in the letter for Request of Permanent Confidentiality submitted in this application. The rationales for such request have been stated in the letter.

In accordance with the procedures specified above, a sample generic copy of the Nokia NDA between the grantee and a purchaser is attached. Additionally,

*The Nokia product, the subject of this application, is not subject to third party sales.
The final user of the device is always a License holder/cellular operator.*

Regards

A handwritten signature in black ink, appearing to read 'Terry Schwenk', with a stylized flourish at the end.
