SUBJECT: Class II Permissive Change for FCC ID: 2ADUL-0030

The product, M2M DATA MODULE, FCC ID: 2ADUL-0030, (Grant date: 12/02/2020). The intension of this application is to enable the modular certified FCC ID: 2ADUL-0030 to be integrated in Greater Goods, LLC Greater Goods Essential BGM LTE-M Enclosure 0030.

The module installed into host platform mentioned above is electronically and mechanically identical to the original certified module. The original FCC testing on module the antenna was connected to the module in an open environment. The current host platform under application uses antenna with different gain and is installed inside the host platform enclosure. Since the different antenna, we performed below items.

1. Power, EIRP and RSE test items are retested, the other conducted test results are referred to module RF report.
2. Full SAR is calculated to confirm compliance.

Should you have any questions or comments regarding this matter, please have my best attention.
Sincerely yours,
