C2PC Request Letter and Changes statement

Date: November 9, 2021

Identity Declaration statement

We hereby request a C2PC for this FCC ID: LDK073002357, as the module is being placed into a new host configuration [Cisco Webex Desk Mini (model TTC9-01)] as described in this filing, and the module uses different external antennas as described in the antenna datasheet. The output power is reduced by software update to a lower power level in the channel shown here:

Frequency	Modulation	Channel	Original power	Reduced power
5GHz	11n20 11ac20	104	14.5	14

The module otherwise remains unchanged electrically and mechanically.
