

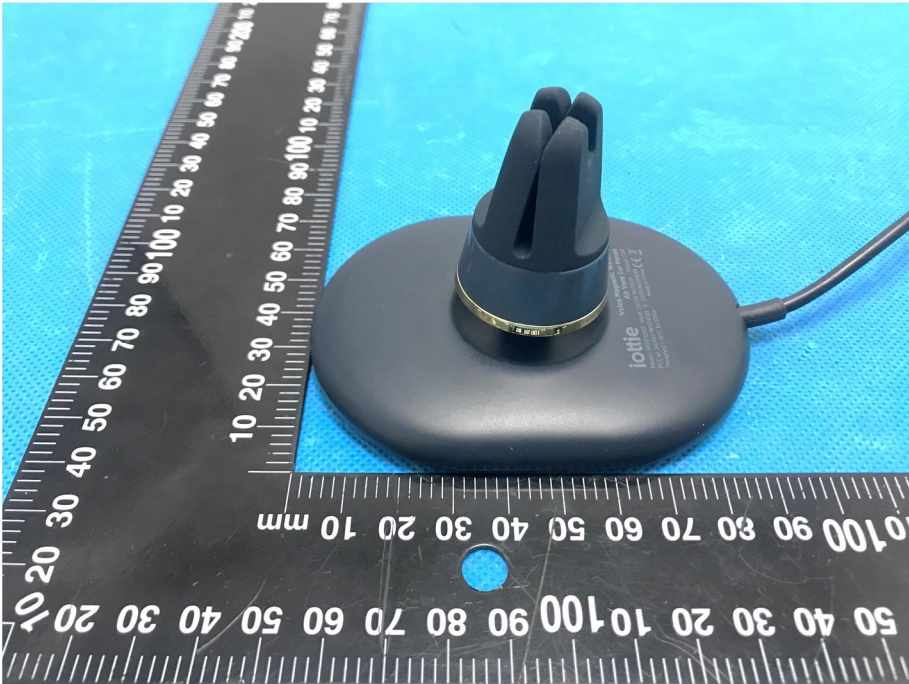

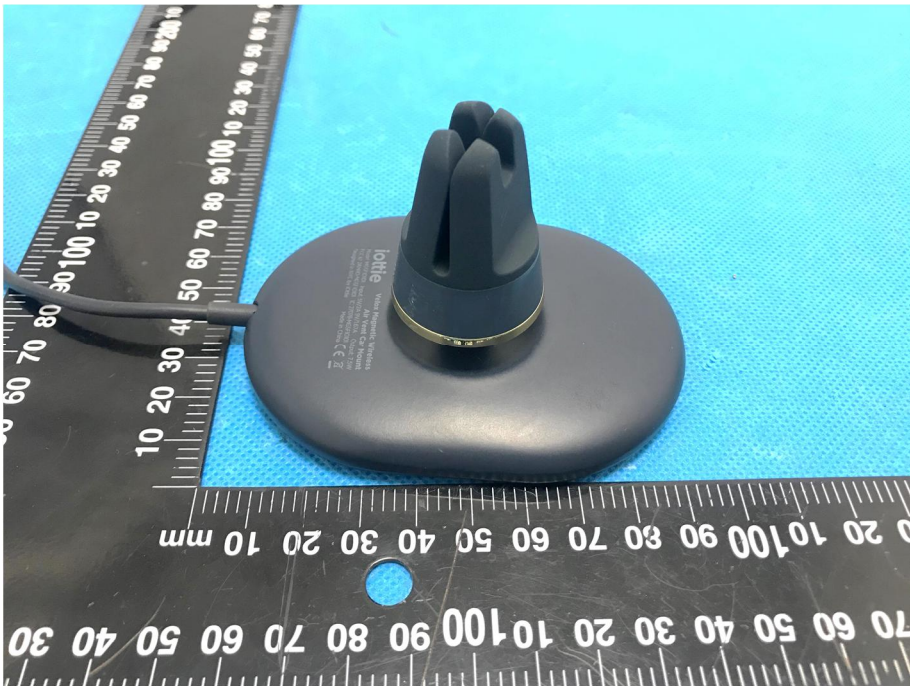

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

MGSFIO101

EUT View 1	 A black, oval-shaped electronic device (EUT) is shown next to a black L-shaped ruler on a blue background. The ruler has white markings in centimeters and millimeters. The device is connected to a black cable that is coiled. A small, black, cylindrical component is also visible next to the device.
EUT View 2	 A close-up view of the black, oval-shaped electronic device (EUT) next to a black L-shaped ruler on a blue background. The ruler has white markings in centimeters and millimeters. The device is connected to a black cable.
