7250 Hudson Blvd, Suite 100
Oakdale, MN 55128

Dear Norman,

The following materials being submitted to the Federal Communications Commission for certification under FCC ID: DFG-OPTICOMGPS1 are to be considered 3M Confidential.

- Radio RF board schematics
- Radio digital processor board schematics
- System technical description (including frequency hopping description)
- Radio RF board block diagram
- Radio digital processor board block diagram

We are requesting these remain confidential due to their trade secret status and to keep any competition from viewing our developments in this area.

Sincerely,

A handwritten signature in black ink that reads "Charles Meyer". The signature is written in a cursive, flowing style.

Charles Meyer
