Attestation Letter

Date: 2021-11-1

FEDERAL COMMUNICATIONS COMMISSION  
Authorization and Evaluation Division  
7435 Oakland Mills Road  
Columbia, MD 21046

To whom it may concern:

The chip NRF52832 installed in our product METER(model name: EB150, FCC ID:2AYF8-EB150) which support BLE (1Mbps), BLE (2Mbps), ANT and NFC functions. Only BLE (1Mbps) is used, other functions are shielded by software.  
Please contact me if there is need for any additional clarification or information.

Best Regards,

Sincerely Yours,
