

## Declaration letter

For our business issue and marketing requirement, we would like to list different model number as following:

**Model No.: Archer BE700, Archer BE700 Pro, Archer BE11000 Pro**

**Model Difference:**

1. The only difference between the models is in the design of the RJ45 port. Other designs (including hardware and software) are the same. Archer BE700 with 1Gbps ports and Archer BE700 Pro and Archer BE11000 Pro with 10G bps port.
2. Archer BE11000 Pro has the different model and product name from Archer BE700 Pro, others are exactly the same.
