 A smartwatch with a black strap and bezel. The screen is illuminated and shows a menu for the 'Phone' app. The menu items are 'Phone', 'Keypad', 'Contacts', and 'Call History', each accompanied by a small icon. The watch is set against a dark blue background.	<p>Phone</p>
 A smartwatch with a black strap and bezel. The screen displays a music player interface. At the top, it shows the time '06:31' and the text 'Connect Your Mobile'. Below this is a large, colorful, abstract graphic resembling a musical instrument or a burst of light. Navigation controls like play, pause, and skip are visible.	<p>Music</p>
 A smartwatch with a black strap and bezel. The screen shows a grid of various app icons. A red square highlights the 'Camera' app icon, which is a yellow circle with a black camera lens. Other icons include a clock, weather, and various utility apps.	<p>Camera(need a connection to access the APP)</p>

	
	<p>Alarms</p>
	<p>heart rate</p>
	<p>Voice Assistant</p>
