

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing three items (a handheld device, a base unit, and a cable) next to a ruler on a blue background. The handheld device is black with a silver oval logo. The base unit is black with a silver oval logo. The cable is black with a USB connector. The ruler is black with white markings in centimeters and millimeters.
EUT View 2	 A photograph showing a handheld device next to a ruler on a blue background. The handheld device is black with a silver oval logo. The ruler is black with white markings in centimeters and millimeters.

EUT View 3	 A black handheld device, likely a barcode scanner or similar electronic unit, is shown vertically. It has a rectangular head with a light source or sensor. A black L-shaped ruler is placed next to it for scale, showing measurements in millimeters and centimeters. The background is a solid blue color.
EUT View 4	 A black handheld device, similar to the one in View 3 but with a circular head, is shown vertically. A black L-shaped ruler is placed next to it for scale. The background is a solid blue color.

EUT View 5	 A handheld device with a black handle and a silver head, positioned vertically next to a ruler for scale. The ruler shows measurements in centimeters and millimeters. The device has a small label on the handle that reads "HART".
EUT View 6	 A handheld device with a black handle and a silver head, positioned horizontally next to a ruler for scale. The ruler shows measurements in centimeters and millimeters. The device has a small label on the handle that reads "HART".
