Federal Communications Commission
Authorization & Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046

Ref.: COBRA ELECTRONICS CORPORATION / BBOMRF75

This will confirm that the Cobra FCC ID: BBOMRF75 complies with FCC Rules and Regulations 80.203(b). The external controls provide for selection of only maritime channels for which the maritime station is authorized. The transmitter is not capable of being programmed by station operators using external controls to transmit on channels other than those programmed by the manufacturer, service, or maintenance personnel.

Manufacturer procedures and special devices for programming will only be made available to service companies employing licensed service and maintenance personnel.
