EUT View 9	 A black rectangular device, likely a USB dongle or small power supply, is shown vertically. It has a small, dark, rectangular port or connector at the bottom. A black cable is plugged into this port. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler is oriented vertically, showing measurements in centimeters and millimeters. The device is approximately 10 cm long.
EUT View 10	 A black handheld device, possibly a handheld tester or a small handheld power supply, is shown horizontally. It has a small screen at the top and a series of buttons below it. A black cable is plugged into the bottom of the device. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler is oriented horizontally, showing measurements in centimeters and millimeters. The device is approximately 15 cm long.
