Re: Model 701 FCC Submittal

Dear Yuriy:

I requested a copy of the schematic for the TI Reader used in our products and was denied by TI. They indicated that this was strictly confidential information and that the reader was certified under FCC ID # A92COM320 with confidentiality.

If you have any questions or need any further information, please call me immediately at (651) 778-6279.

Regards,

Roger D. Kuhn
