

Brand Name: CISCO
Model No.: GR10-HW, GR10-HW-US, GR10-HW-INTL, MR20-HW

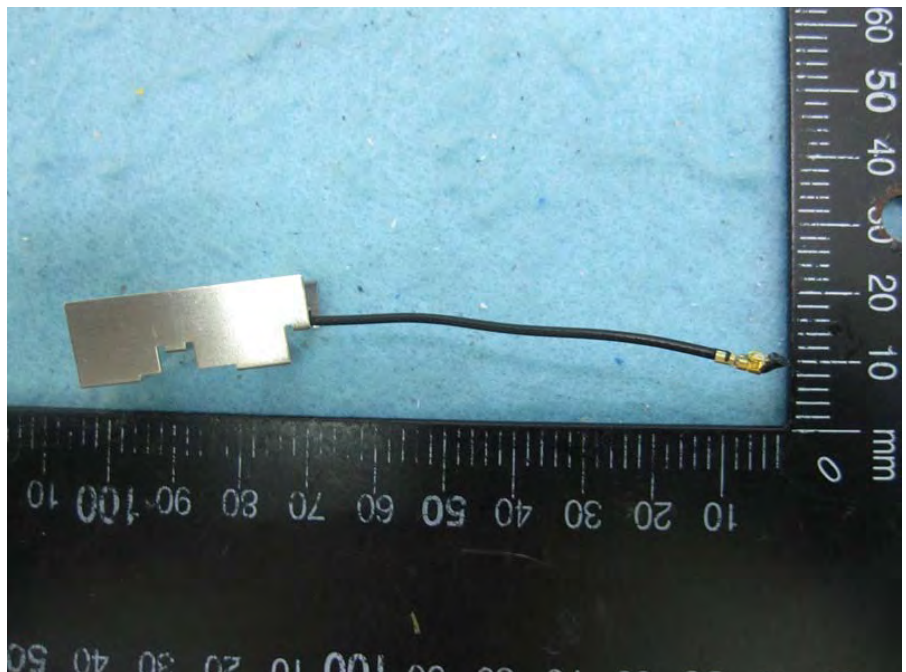

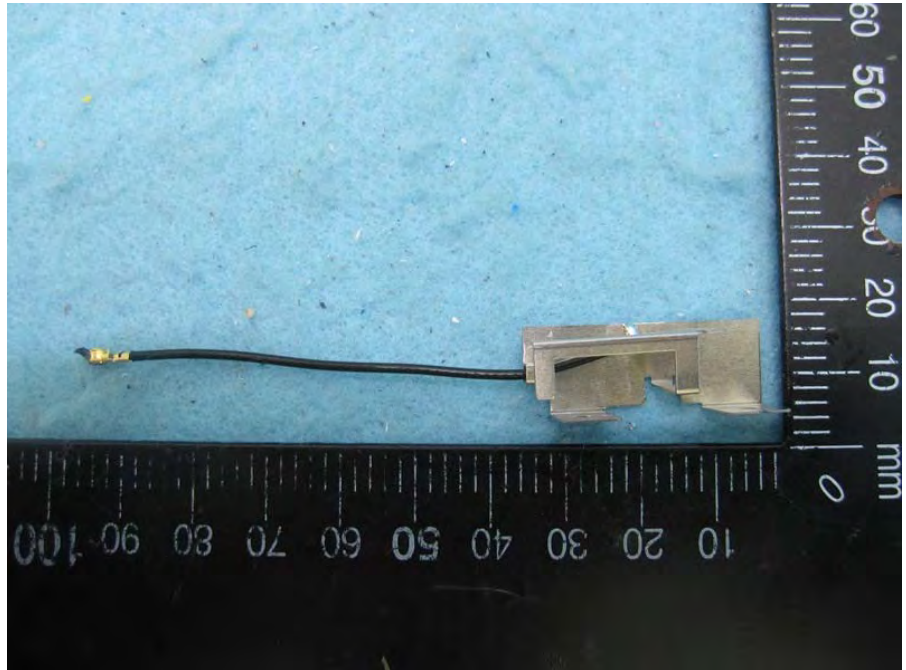

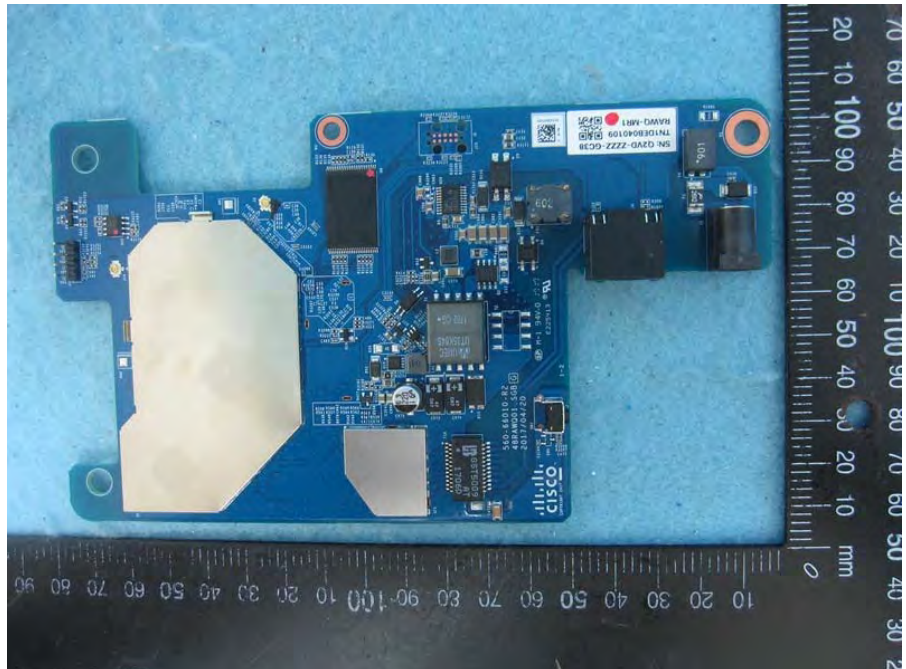

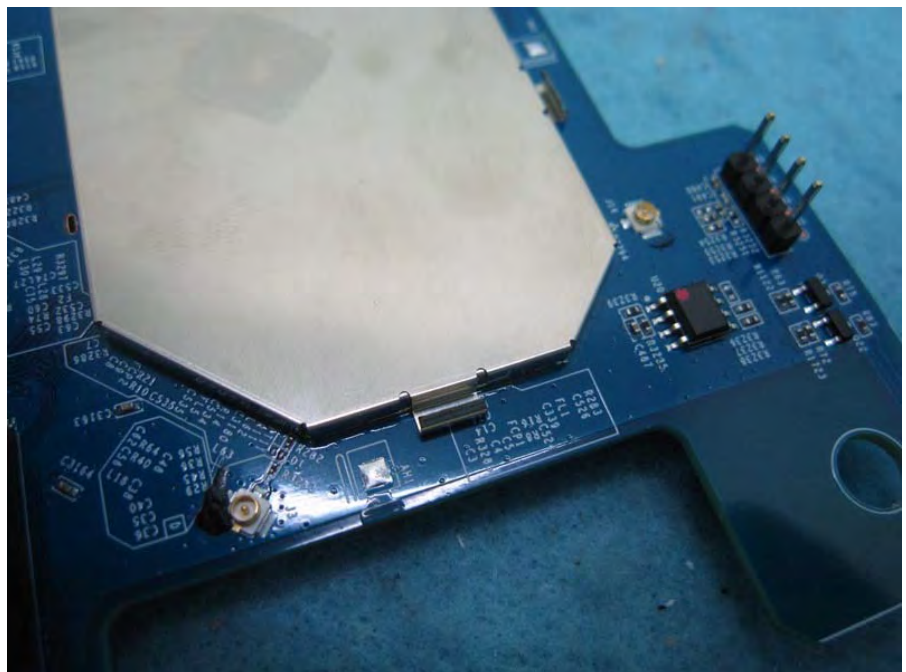

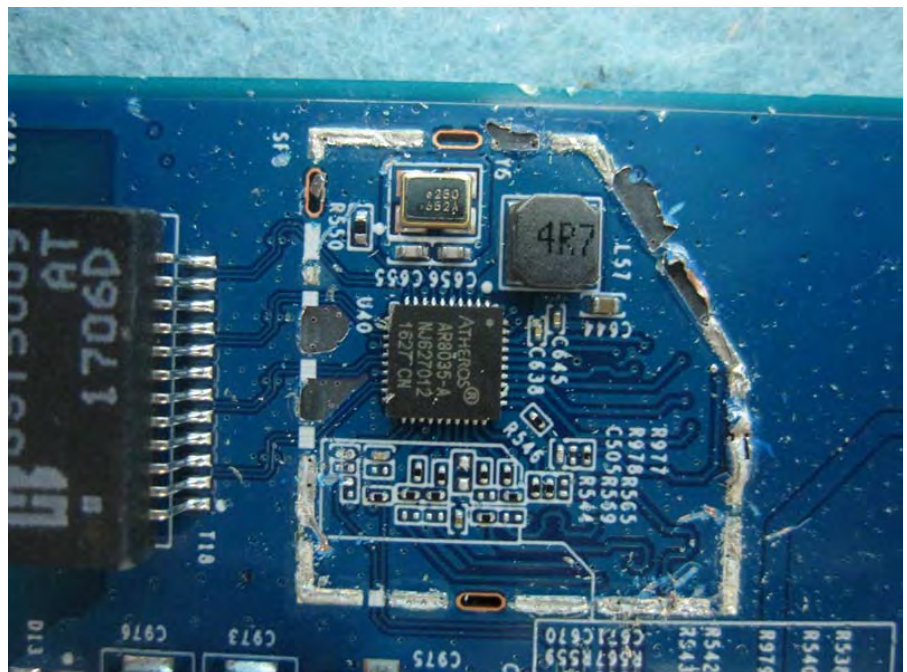

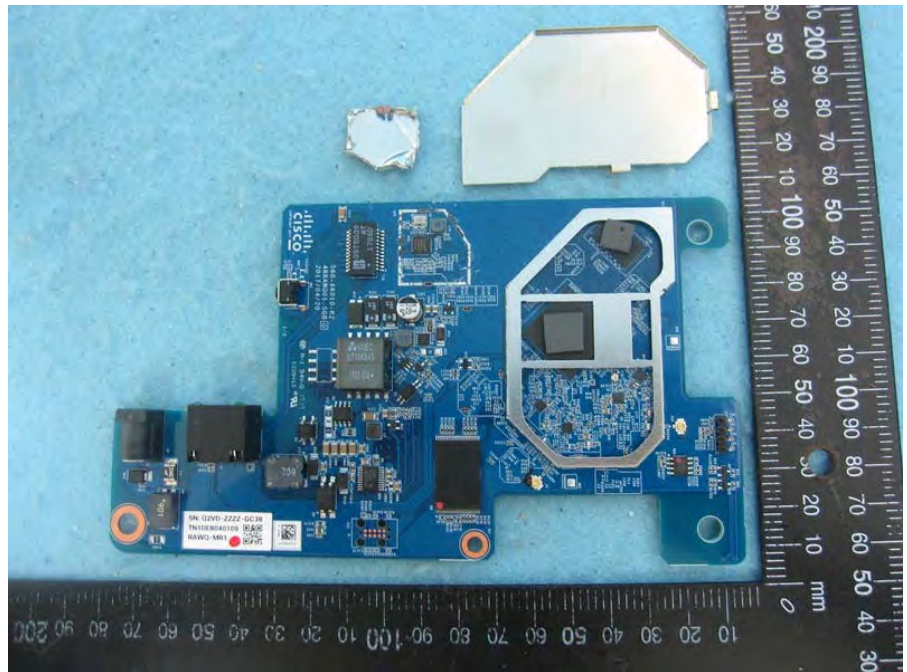

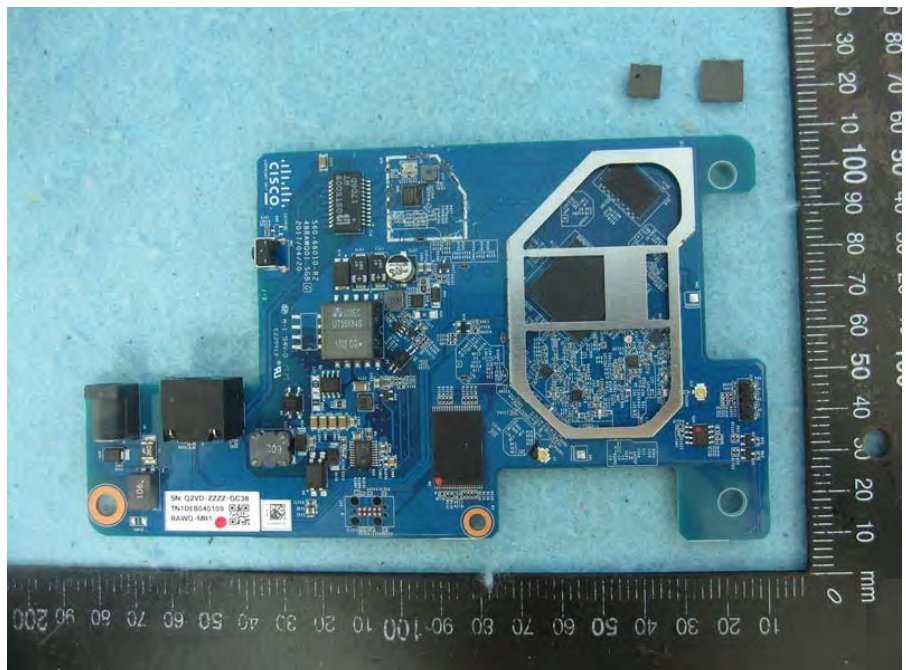

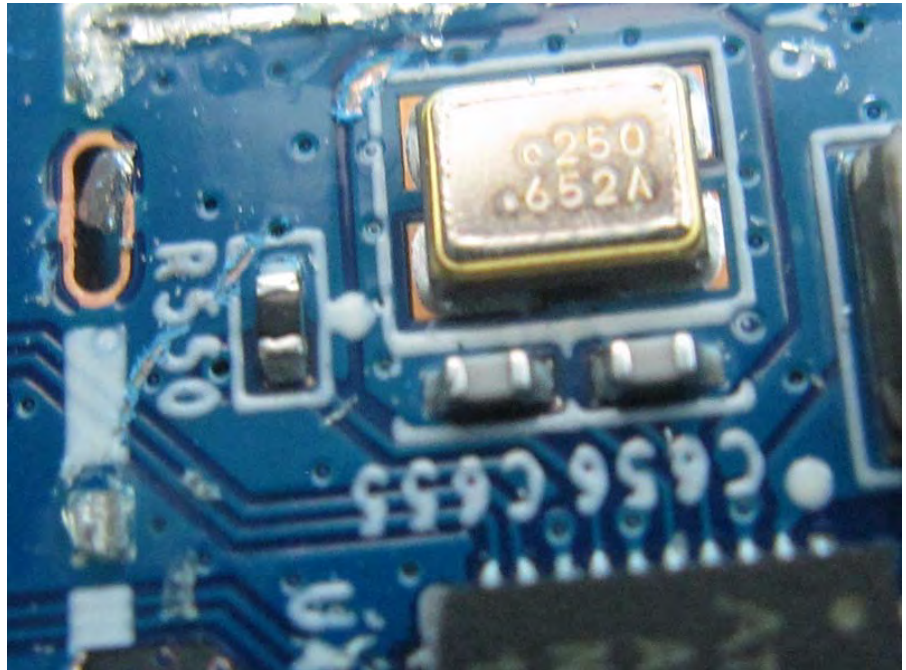

A close-up photograph of a damaged coaxial cable connector. The cable is black and extends from the left. The connector is made of brass and has a white plastic insulator. The insulator is cracked and the internal gold-plated contact is exposed. The connector is mounted on a blue, fibrous material.

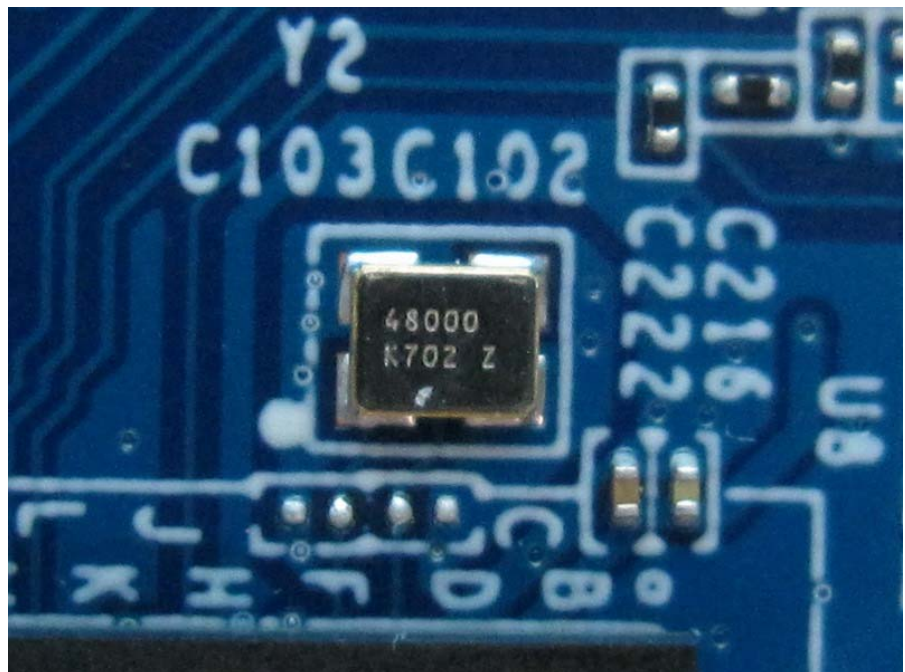

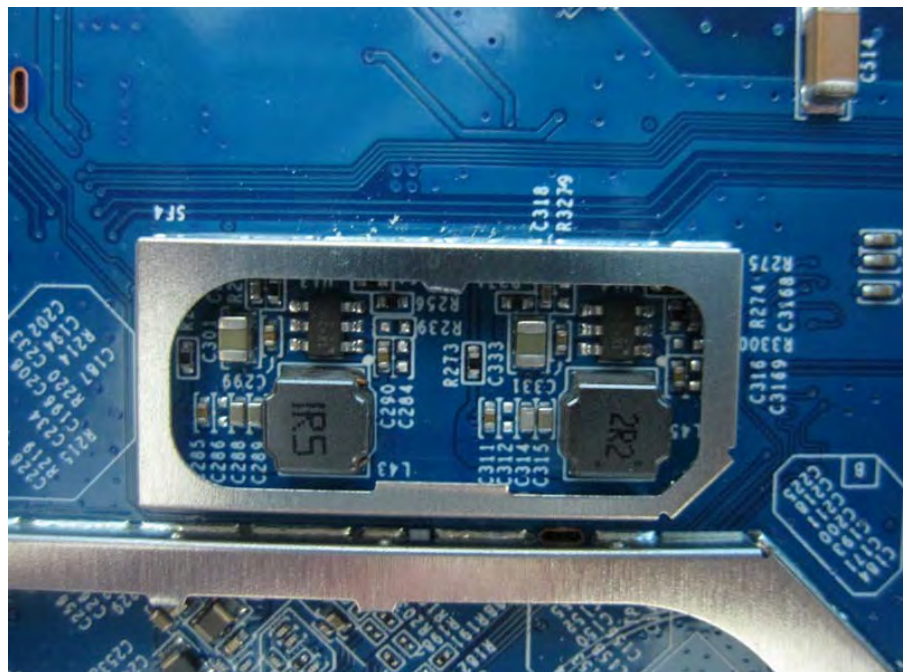

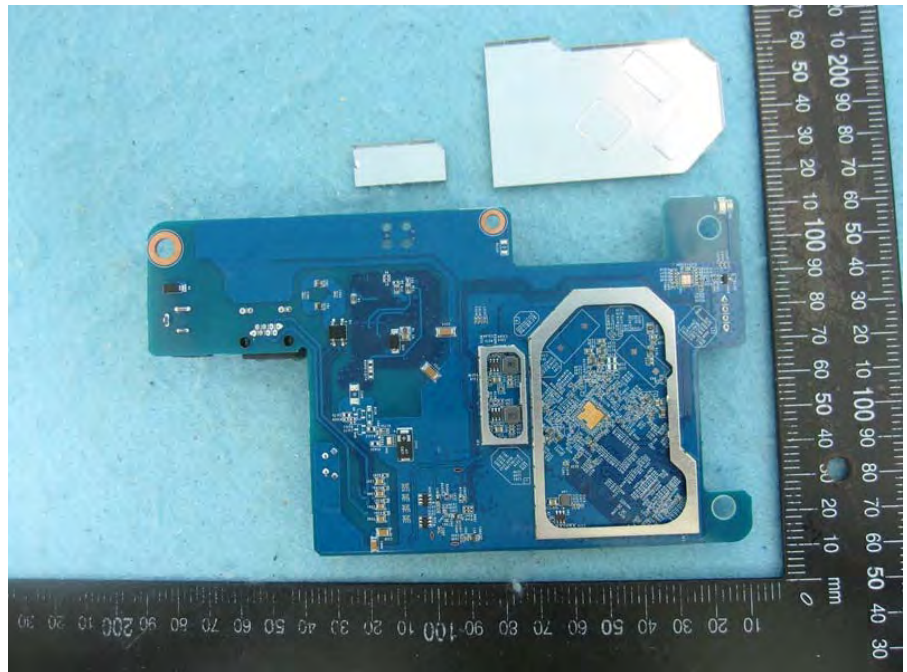

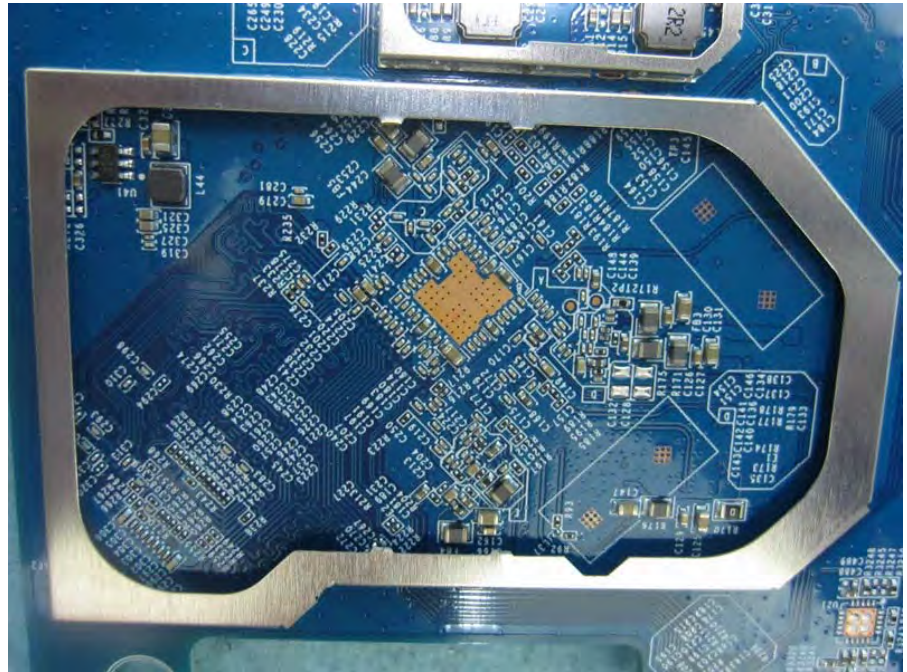

Adapter

Wall-mounted rack
