

Re: Certification for Lear Corporation

Transmitter Model: RFA-04

FCC ID: KOBGT04A

IC: 3521A-T04A

FCC/IC label and location (on PCB in battery compartment.)

5200 Auto Club Dr.  
Dearborn, Michigan 48126-9982  
(313) 593-9000

Re: Certification for Lear Corporation  
Transmitter Model: RFA-04  
FCC ID: KOBGT04A  
IC: 3521A-T04A

The following statement will be printed in the User's Instruction Manual:

This device complies with part 15 of the FCC Rules and with RSS-210 of Industry Canada.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC ID: KOBGT04A  
IC: 3521A-T04A

The letters "IC" have no other meaning or purpose than to identify the Industry Canada certification number/registration number.

**WARNING:** Changes or modifications not expressively approved by the party responsible for compliance could void the user's authority to operate the equipment.

The FCC and IC identification numbers for the transmitter are located inside the battery compartment.
