

Declaration Letter

Date: 2019/04/10

Hereby, we, Shenzhen Link Win Technology Co., Ltd,
Declare that for FCC ID:2AQ4G-SSB554R, apply for a renew application, Added a
HAC testing. They declared that the product have two Model、Brand、Memorys、
PCB board and SW Version as below.

Model	Brand	Memory	PCB board Model	SW Version
SSB554R	SOHO STYLE SMART PHONES	512MB+4GB	Q9-V2.3	LY_SSB554R_V0.6_ 20181224
SSB558R	Maze Speed	512MB+8GB	Q9-V2.5	LY_SSB558R_V0.4_ 20181224

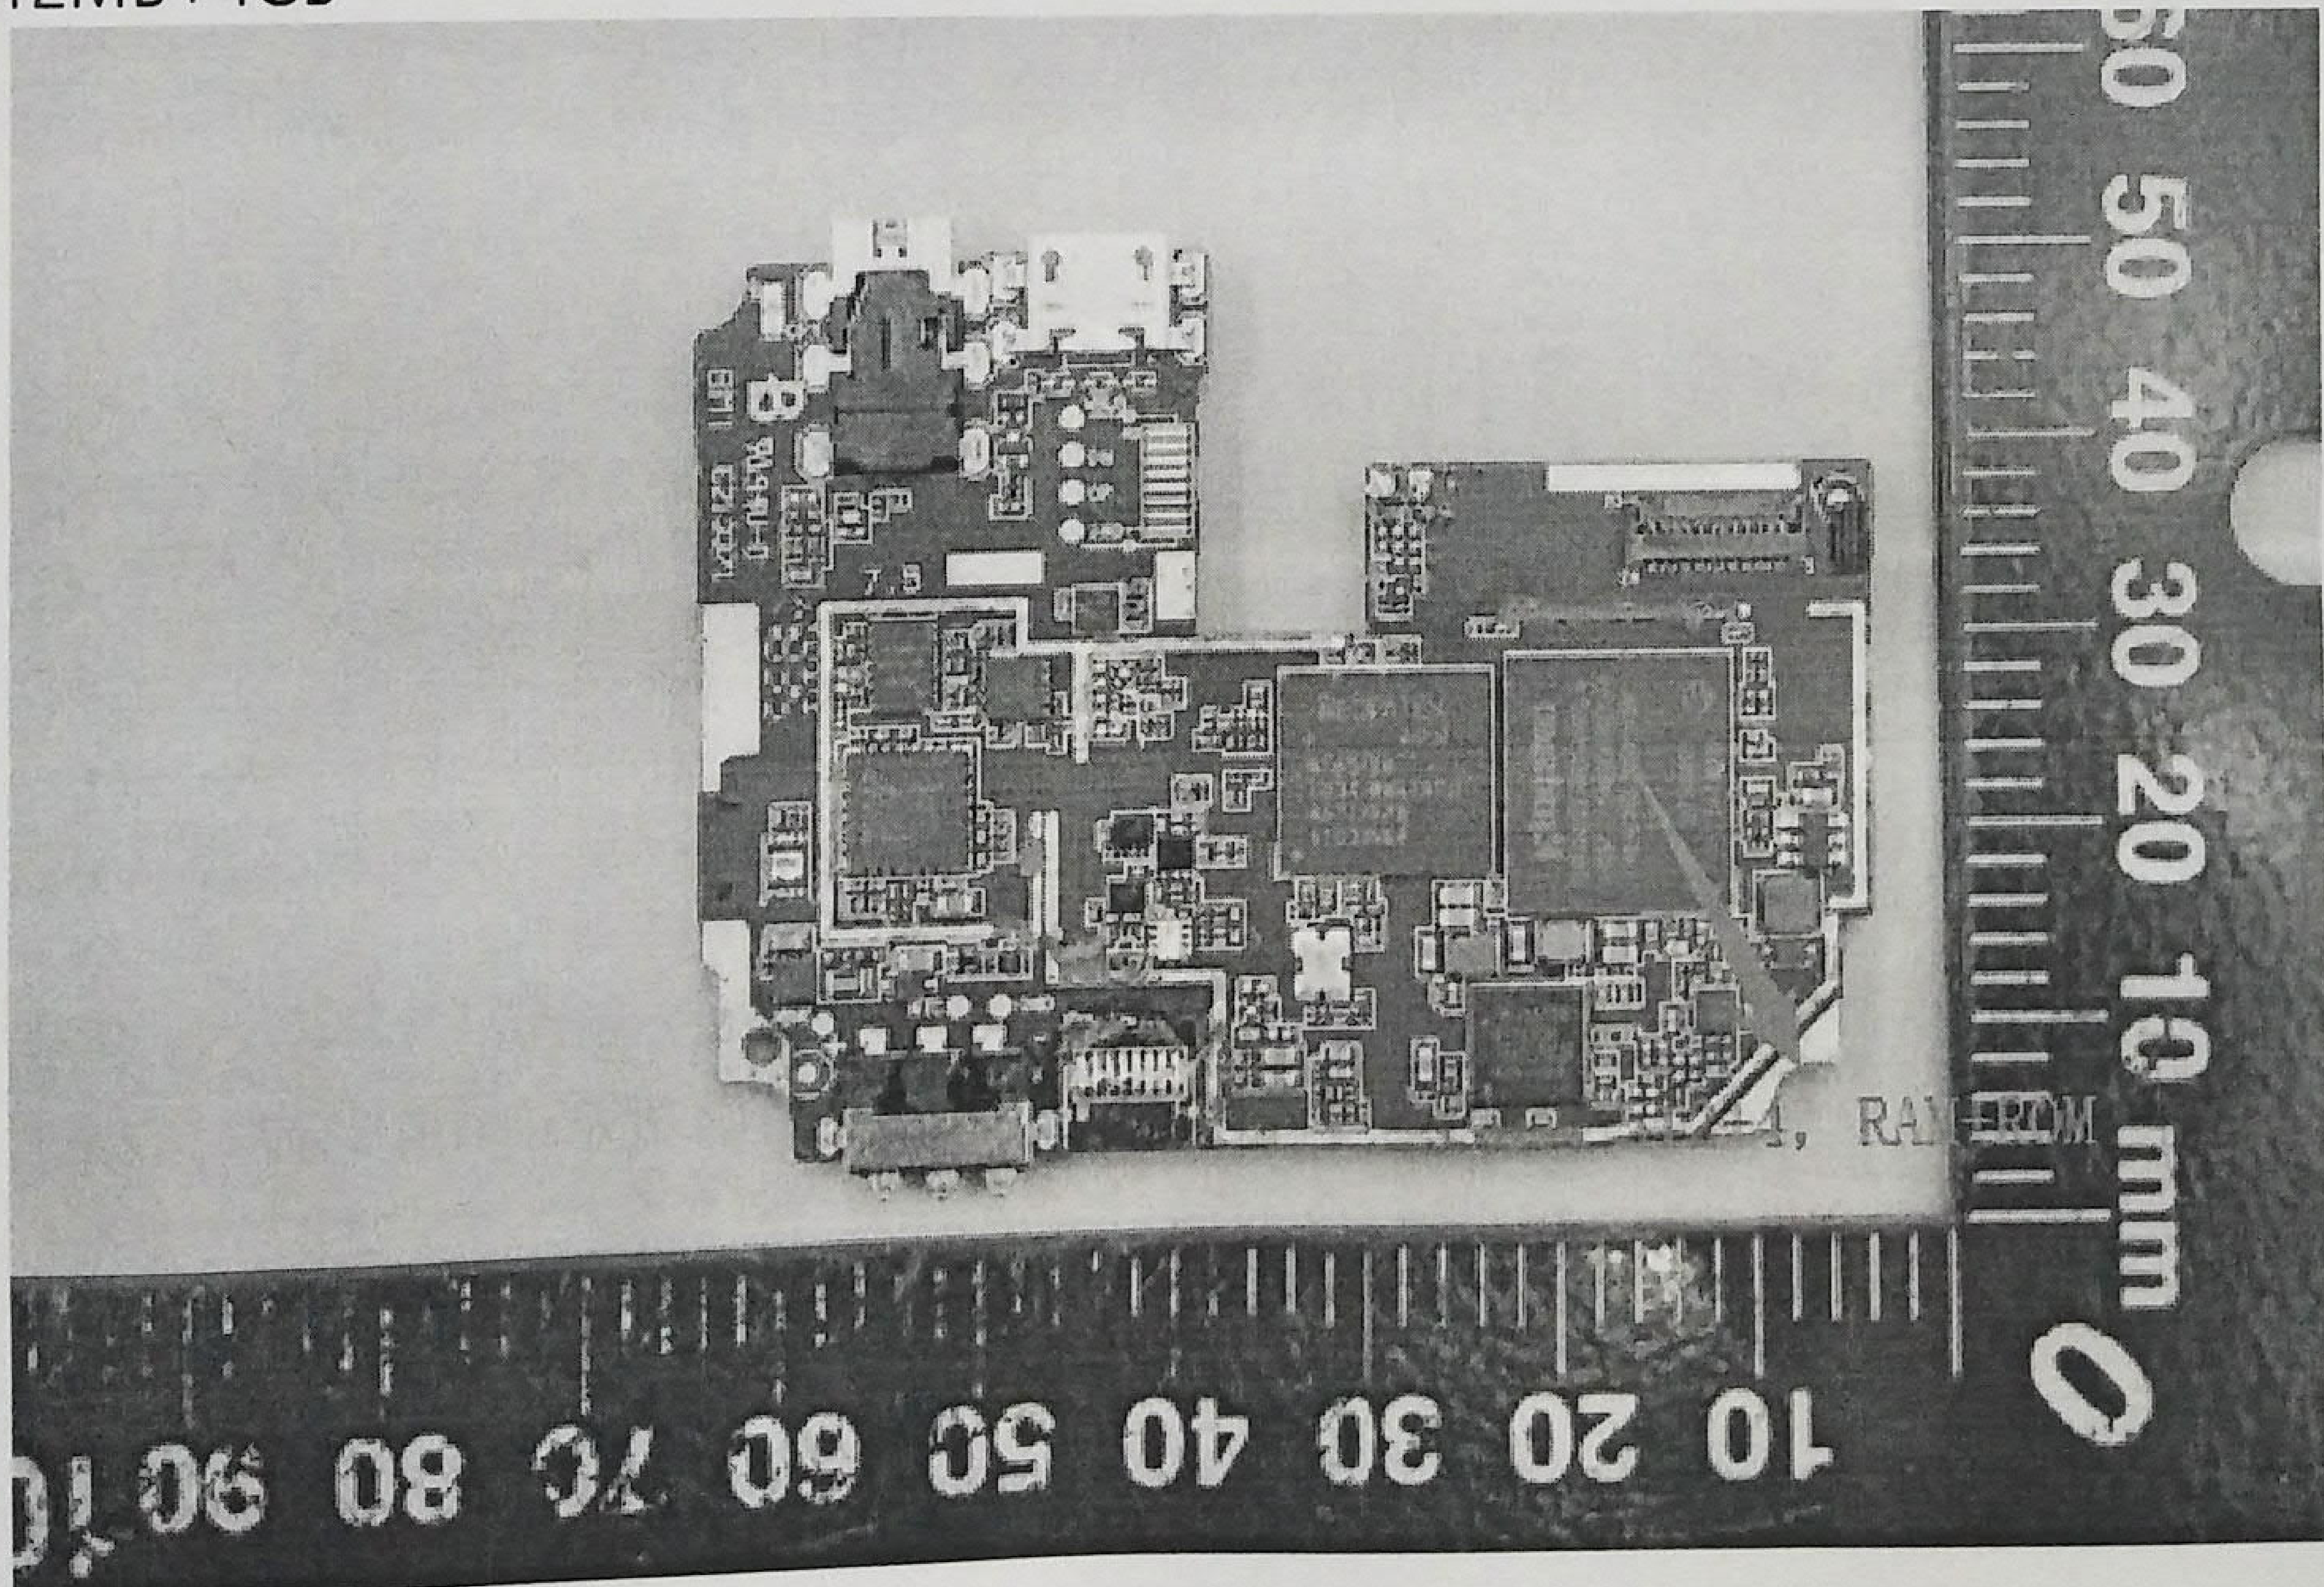

No other changes, all RF parameters remain the same as before.

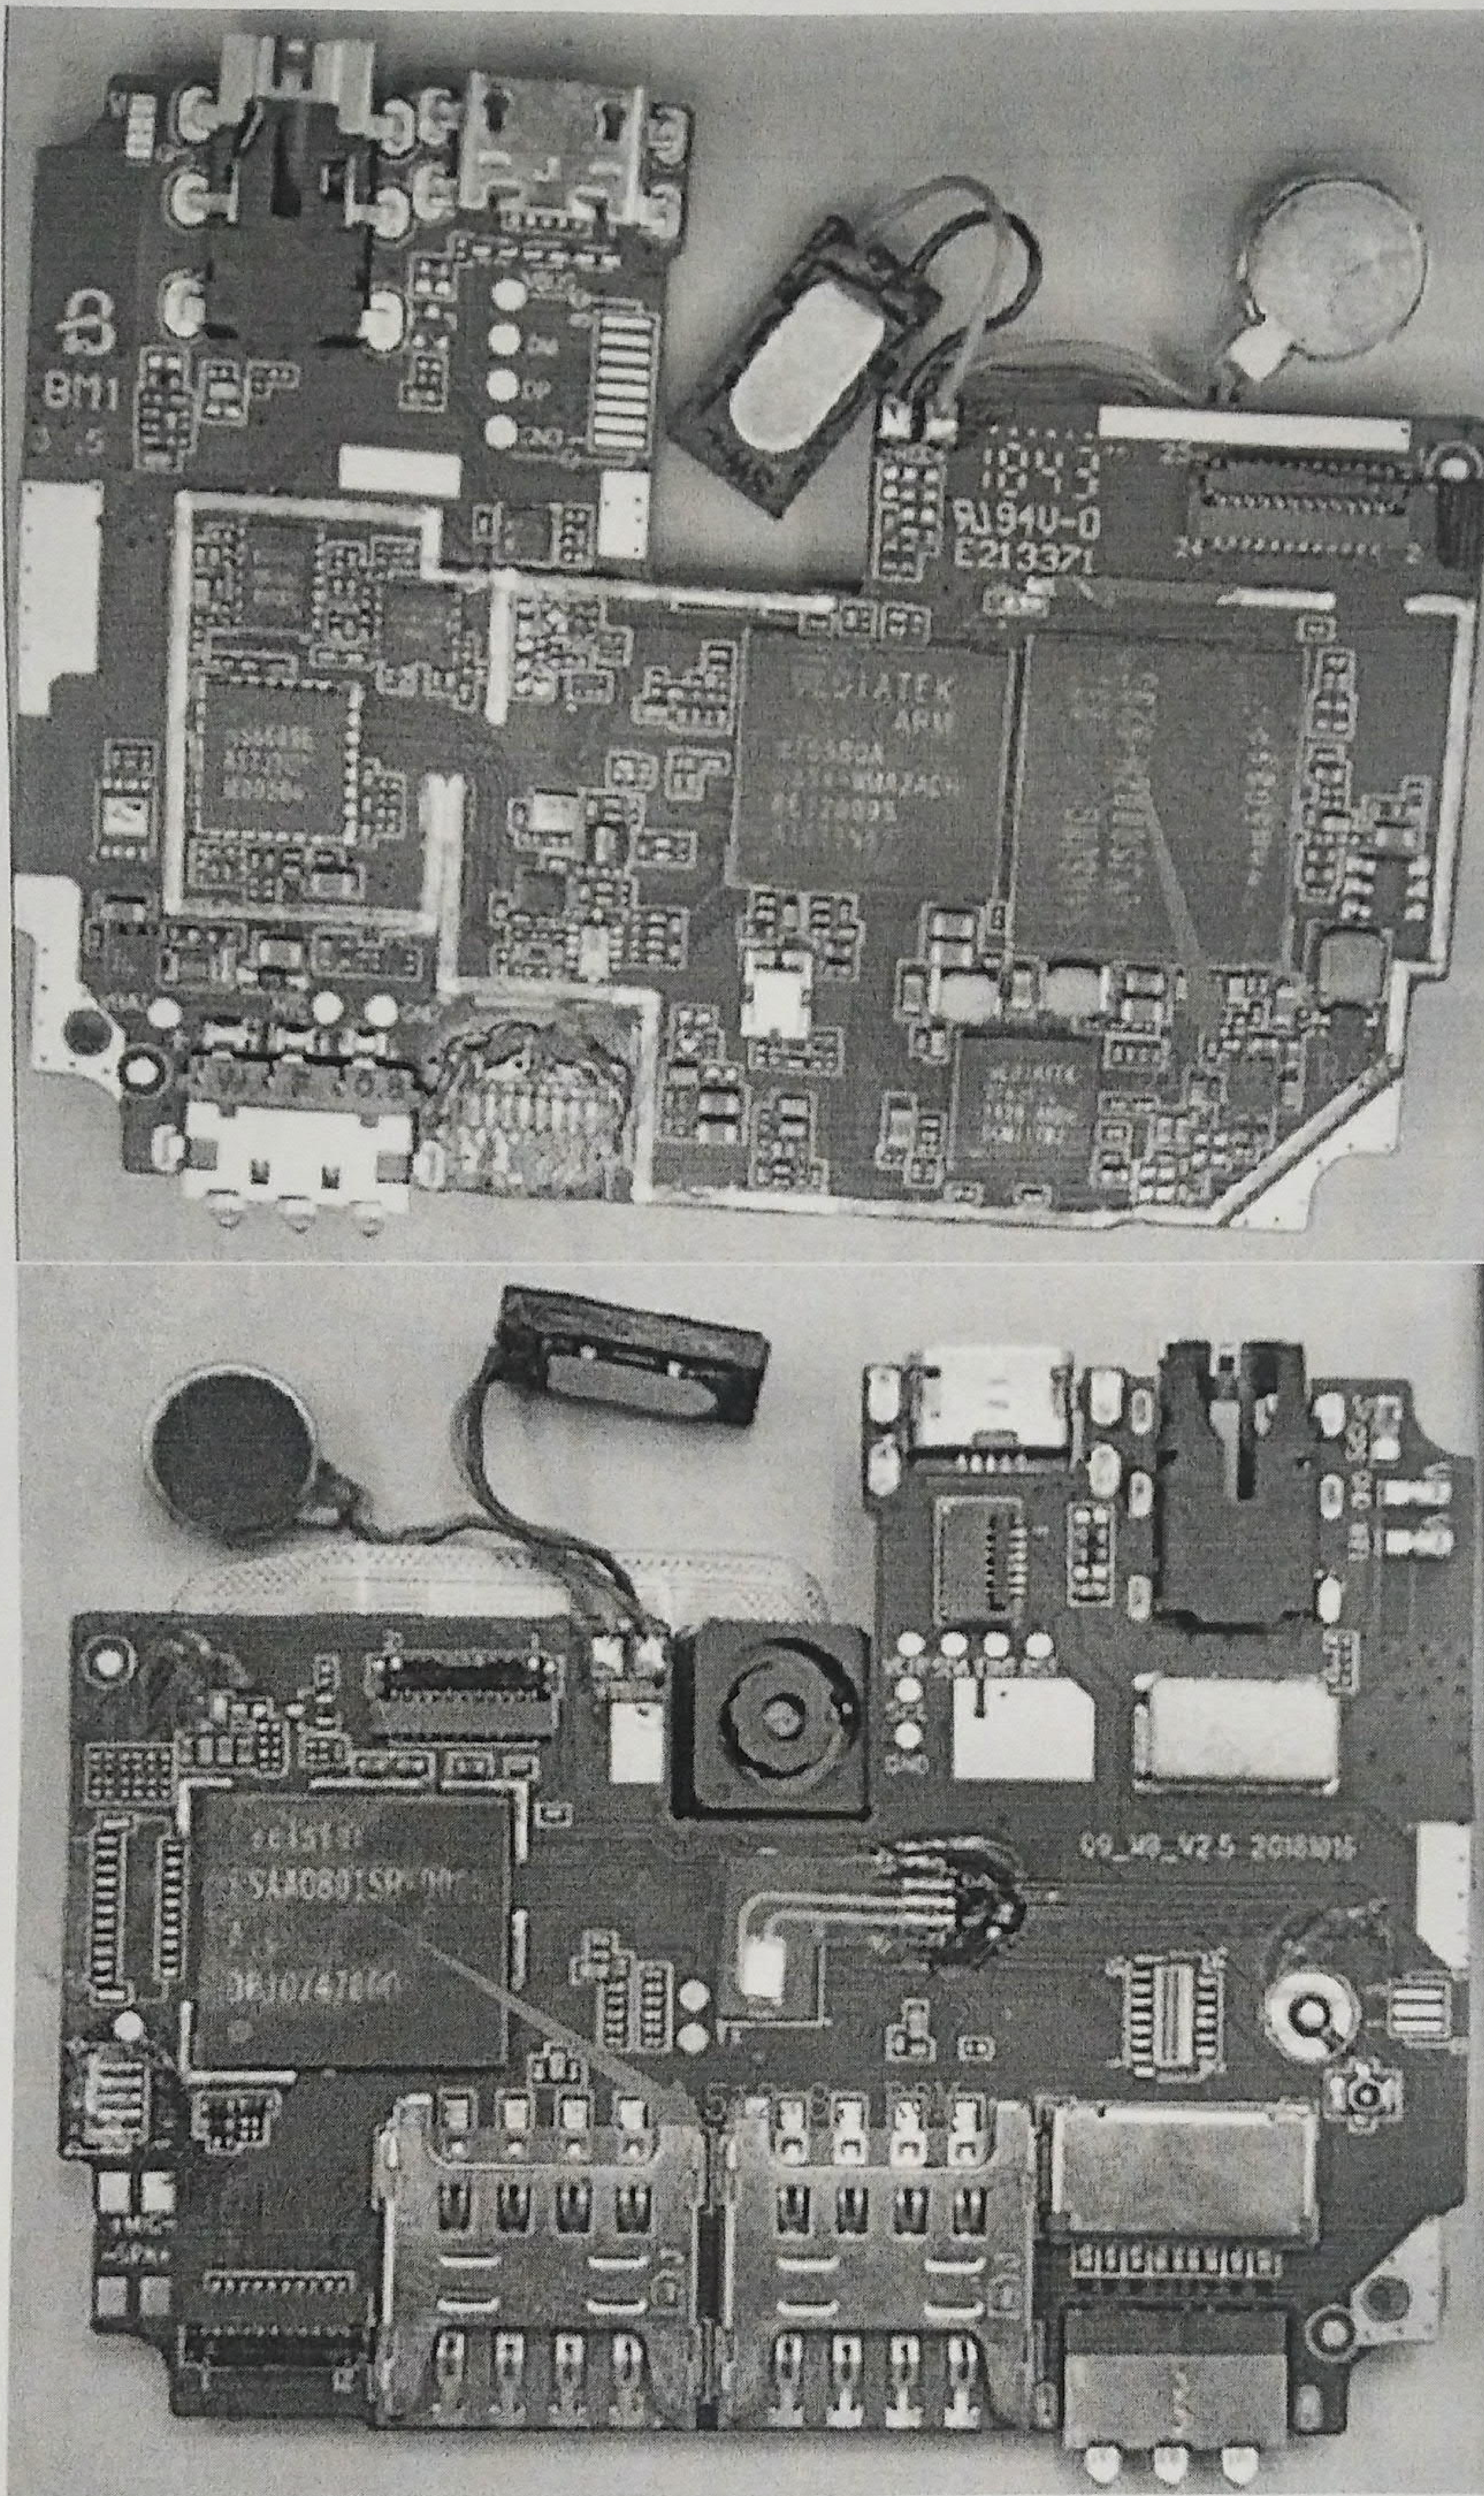

Note 1:For the application of HAC, the SSB554R and SSB558R HAC tests and HAC reports both separately.
SZ19030027S01/SZ19030027S02 is the HAC report of SSB554R;
SZ19030029S01/SZ19030029S02 is the HAC report of SSB558R.

Note 2:The PCB boards of the SSB554R and SSB558R are different. It do not affect the output power
of the product.

The reason for the difference in PCB is that the 512MB+4GB memory is integrated (RAM+ROM is integrated),
and the 512MB+8GB memory is separate.

512MB+4GB

Please be noticed.
