Re: § 2.933 Change in identification of equipment

To Whom It May Concern:

This change in identification of equipment request applies to the original FCC ID: QV5MERCURY6E-M, granted on 01/04/2021. The equipment bearing the modified identification (new FCC ID: PQG-MERCURY6E-M) is electrically identical to the original equipment. Therefore, the original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Sincerely,

Donald Ferguson
