Dear Rick,

**Subject: TCB Services on a 50W Digital Base Station Transceiver (470 - 520 MHz)**

As per Elite Quotation EEE2004702-1 please carry out FCC (C2PC) to add Wideband Analogue at T-band, DMR and FFSK modulations to the existing Grant / Certification for our Digital Base Station transceiver:

- FCC ID: CASTBDH3A

Best Regards,
