0.457, 0.459 Request that submitted material be withheld from Public Inspection

Product: 6150A iCLASS Long Range Reader

It is requested the following materials be withheld from public inspection:

- Description of the product, circuit functions, and how the device operates.
- Block diagram.
- Schematic
- Antenna and ground system descriptions

These materials are considered HID Corporation Proprietary and Confidential.

Revealing the fundamental design for the product to the public and our competition would put us at a competitive disadvantage.

We feel we have a product cost/design advantage over our competition with the product and therefore ask the above cited materials be withheld from public inspection.

A handwritten signature in black ink, appearing to read "Frank de Vall".
