

The image shows a green PCB for a Vivint Panic2 alarm system. The board is populated with various electronic components, including a central yellow push-button, a small LCD display, and several resistors and capacitors. The text 'vivint. PANIC2' is printed in white on the top left. Below it, '© 2014' is visible. In the center, 'VICT E254215' and 'F-M-23' are printed. At the bottom, 'REV-6.0' is printed. A white label with a QR code and the number '1425110003076384' is attached to the bottom left. The board is mounted on a blue surface.
